Dear Mr. Jansen:

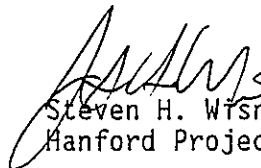

RESPONSE TO STATE OF WASHINGTON DEPARTMENT OF ECOLOGY (ECOLOGY) LETTER OF JULY 8, 1992

In a July 8, 1992, letter, Mr. Jaraysi requested answers to questions concerning financial details and program management of the Liquid Effluent Retention Facility (LERF) construction project. Since the information contained in your letter was not accurate, we cannot respond as you requested. The LERF Project construction has not been delayed. The milestone for LERF support to the 242 Evaporator startup will not be impacted.

We expect that this resolves your concerns expressed in the letter dated August 14, 1992, from Mr. Stohr to Ms. Nadine Highland.

If you have further questions, please call me on (509) 376-6798 or D. C. Bryson of the Waste Management Division on (509) 372-0738.

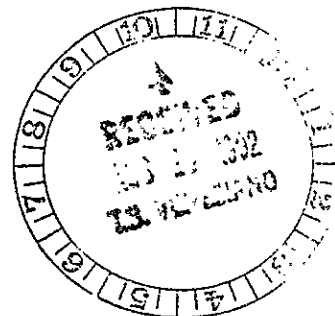

Sincerely,

Steven H. Wisness
Hanford Project Manager
